SCHOOL BUS SERVICES CODE OF CONDUCT

- All pupils are expected to conduct themselves on the buses as they would in school.
- The safety of pupils, bus drivers and other road users can be affected by poor behaviour on the bus.
- Please fasten seatbelts (if available), no distracting the driver, throwing items, bullying, leaving rubbish etc. Standing is only allowed once all seats are taken and must not exceed the bus number allow. Follow all instructions issued by the driver.
- The school will not tolerate poor behaviour on the buses. This is not fair to your fellow passengers or to the bus companies that provide the bus service.
- Your behaviour is a reflection of St Edmund Arrowsmith Catholic High School, and we pride ourselves on our reputation.

If behaviour causes concern this is the procedure and consequence if it does not improve:-

Stage 1: Pupils on the bus should report any problems to their form tutor, they will decide if further action is to be taken.

Stage 2: The form tutor will notify the appropriate Director of Learning who will speak to you directly.

Stage 3: If there is no improvement, a warning letter will be sent home advising parents/ carers of the unacceptable behaviour setting out a time frame for improvement.

Stage 4: After the agreed time frame, if there is no improvement, a further letter will be sent home implementing a temporary ban, possibly 2 weeks or half a term depending on the severity of the behaviour.

Stage 5: On return, any further incident will result in an immediate permanent ban.

It is essential your child is familiar with their route to school, especially if they intend to stay for activities after school and may have to use an alternative service.

IMPORTANT INFORMATION FOR PARENTS/CARERS

Please be aware that school services are subject to change and may be withdrawn due to low use and/or a suitable public transport alternative. Any alternative may involve a journey of up to 90 minutes, use the general service network and a change of bus on route may be required.

The provision of direct school buses in the 2025/26 academic year does not indicate that these buses will be provided in future academic years and parents should consider carefully how their child may get to/from school if no school bus was provided.

An introduction to School buses and concessionary fares for students in Greater Manchester

Passengers can pay a fare to the driver for each journey shown on this timetable. However, students will need to show an **IGO card** to travel at the concessionary (reduced) fare. If students do not have an **IGO card**, they will have to pay a higher fare.

https://tfgm.com/tickets-and-passes/discounted-and-free-travel/young-people/igo?utm_source=redirect&utm_medium=referral&utm_campaign=igo_pass

Fares on TfGM funded school buses are:

- **Child single ticket:** £1.00 / **Return ticket:** £2.00
- **TfGM school weekly ticket:** £7.60**. This ticket is ONLY valid on schooldays on school buses. It's available to buy on the bus or at an [Information and Ticket office \(Travelshop\)](#). The bus driver will load it onto the igo card.
- **Carnet ticket:** (10 single trips) £10**. This ticket is ONLY valid on schooldays on school buses. It's available to buy on the bus** and at an [Information and Ticket office \(Travelshop\)](#). It can only be loaded onto an igo card and will be valid for 28 days from the date of purchase.

Children aged between 11-16 who do not have an IGO card will also be charged the single or return fare but will not be able to buy a weekly ticket without an IGO.

Students with a [Scholar's permit](#) can also pay £1.00 for a single ticket or £2.00 for a return (but not the school weekly ticket).

** TfGM return, weekly and carnet tickets are valid on the majority of dedicated school buses, with some exceptions. There are also bus services to schools, not included on the list of TfGM school buses, where no TfGM school tickets are available. Please check the [exceptions list](#) before travelling.

Bus operators ask for parents support in ensuring the correct change is provided to reduce the handling of cash by pupils and drivers. A weekly ticket should be purchased wherever possible. A variety of contactless tickets can be purchased online but will depend on the operator. Please check prior to using these services.

A summary of fares and ticketing information on all school services included in this timetable can be found at <https://tfgm.com/tickets-and-passes/bus-school-bus-services>
