The pupil roll is 1,200 and we are over-subscribed year on year due to the excellent reputation the school holds within the community.

Values and Vision

St Edmund Arrowsmith Catholic High School provides an environment for learning that is safe, supportive, caring and encourages life-long learning. The key values that are upheld are Education, Discipleship, Mission, Understanding, Nurture and Dignity.

Our students often refer to us as their second family as they feel nurtured in the environment provided for them and whilst educational attainment is crucial, we firmly believe that the development of the whole child is the mission of the school and gives all of our pupils the best chance to lead fulfilled and prosperous lives.

We seek to offer a curriculum that meets the needs of all, as we recognise that every young person is uniquely talented. Each pupil is provided with a personalised pathway and understands that this gives them the best chance of achieving their individualised goals. The technology provided to subject and pastoral teachers is the conduit for a structured framework to support and guide pupils along these pathways, using easily accessible data.

In addition to formal lessons, pupils engage in activities that reinforce our Catholic ethos such as form prayers, weekly collective worship, class masses, whole school masses, daily morning prayer, spirituality lessons and much more.

The theme of all that we do with our community of young people is to encourage them to put their faith and beliefs into action and **strive to make the world a better place.**
