## **St Edmund Arrowsmith Catholic High School: response to COVID 19 - 2021-22**

In order to minimise spread of infection, school has maintained some covid protocols. For example:

- One-way system
- Enhanced cleaning regime
- Hand sanitisers installed throughout school
- Classroom layouts avoid face to face seating where possible
- Increased ventilation
- Distribution of lateral flow tests
- Organisation of school-aged children vaccination programme

In order to ensure students continue to make the best progress possible, a range of strategies have been put in place. These include, but are not limited to:

- Enhanced monitoring of attendance
- Re-sequenced curriculum and schemes of work
- Offer of Teams lessons if pupils are absent with covid but fit to work
- Support if needed E.g. extra literacy and numeracy lessons, Y11 tutoring programme, Y7 accelerated reading programme
- Continued close data scrutiny
