June 2023

Dear Parent/Carer

So that we are able to widen the choice, availability and quality of the materials and processes used by the pupils in Design and Technology and the ever-increasing costs involved, it has become necessary to ask each pupil in years 7, 8, and 9 for a voluntary contribution of **£5.00** towards the cost of the consumables involved in Technology lessons.

Some projects may include additional electronic components or food ingredients to become fully functioning products. Where pupils wish to include these to produce functioning products additional charges will occur. The inclusion of such components/ingredients will not affect the progress or marking of pupils' work.

When pupils are undertaking their food practical lessons, they are expected to provide the main ingredients themselves. Where ingredients are provided by the department, additional costs will apply. All the money collected will be re-invested into the Technology Department and this donation will cover the costs for the whole of the academic year.

Your support of the Department is greatly appreciated at this exciting time of change and development. Your child should return the slip and any contribution to the Technology teacher during their Technology lesson on the Y6 Induction days.

Yours sincerely

L Burke

L BURKE
Head of Design and Technology

NAME OF PUPIL: _____

FORM: _____

I acknowledge receipt of the letter regarding a donation towards funding pupils.

- Please find enclosed the **£5.00** voluntary donation towards the costs of Technology consumables during the academic year 2023-2024 ☐
- I have already included my voluntary donation along with the SEA Contribution Form included in the New Intake Welcome pack ☐
