Dear Parent or Carer

In light of the excellent results achieved by our former Y11 students, I wish to inform you about the availability of an additional revision guide designed for preparation and revision for the new AQA Syllabus GEOGRAPHY option.

Our former students used the guide as a revision aid in June 2019 and I am confident that this publication will again be an invaluable tool when preparing for the 2020/2021 GCSE examinations. The guide contains a complete set of notes and colour diagrams, as well as case-studies and guidance for all papers. It is printed in full colour and seems extremely accessible for students.

The revision guide, 'The Pocket-Sized Revision Guide', published by 'Daydream', can be ordered through the school at a discounted price of **£3.00**. In addition, there is a detailed set of revision cards now available from CGP. They are specifically designed for the AQA 9-1 course. The cards cost **£5.50** per set.

I am confident that these resources will increase the effectiveness of the revision/preparation lessons and give your son or daughter the best possible chance of success in their GCSE Geography exams.

If you wish to secure a copy of the revision guide and/or the revision cards, I would be grateful if you could attach a payment for the correct amount (cash or cheque, cheques made payable to 'St Edmund Arrowsmith High School') with the order form below.

Yours faithfully

Matthew Kennedy
