

## Annual Governance Statement

Academic Year: 2022-2023

### **Purpose of this Governance Statement**

This governance statement has been prepared and published by the Governing Body of **St Edmund Arrowsmith Catholic High School** (hereafter referred to as the Governing Body) in compliance with our duty to report on the ways in which we have fulfilled our obligations and responsibilities relating to:-

- (i) our overarching duty to conduct the school in accordance with its Catholic character and
- (ii) our core functions (which are explained below) during the [2022-2023] academic year.

A list of serving governors is set out at **Appendix 1**

### **Role of the Governing Body**

As the Governing Body of a Catholic school, our overarching responsibility lies in ensuring that the School is conducted in accordance with its Catholic character at all times, and this overriding duty (which is also a legal duty) permeates everything that we do. Further, in accordance with our legal obligations, the Governing Body endeavours to operate at a strategic level leaving the Headteacher and senior school leaders responsible and accountable to us for the operational day-to-day running of the School. It is by achieving these aims that we can be sure that our School has effective governance.

The three core functions of the Governing Body are:

1. Ensuring clarity of vision, ethos and strategic direction;
2. Holding the Headteacher to account for the educational performance of the School and its pupils, and for the internal organisation, management and control of the School, including performance management of staff; and
3. Overseeing the financial performance of the School and making sure its money is well spent.

As an integral part of the vision for the holistic formation of children and young people Canon law (Church law) also requires that Catholic schools (which includes academies) are "...at least as academically distinguished as that in the other schools of the area" and the Governing Body are mindful of this requirement in all that we do.

### **Scope of Governing Body's Responsibilities**

The Governing Body acknowledges that we have overall responsibility for ensuring that St Edmund Arrowsmith CHS has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve our objectives and can provide only a reasonable (as opposed to absolute) assurance against material misstatement or loss.

The Governing Body has delegated the day-to-day responsibility to the Headteacher for ensuring financial controls conform with the requirements of both propriety and good financial management.

## **Governance Arrangements**

### **Composition of the Governing Body**

The Governing Body is made up of [7] Foundation Governors †, [2] Staff Governors (including the Headteacher), [2] Parent Governor(s), [1] Local Authority Governors(s), [1] Associate Member and [0] Co-opted Governor(s)\*.

† Foundation Governors are appointed by the Bishop of the Diocese in which the School is situated. The Bishop not only appoints his Foundation Governors because of their particular skills, but, more importantly, for the strict purpose of ensuring, on his behalf, the Catholic character of the School. Foundation Governors are also under important legal duties to preserve and develop the School's Catholic character. In order to ensure that the School's Catholic character is protected and that it is being conducted in accordance with the tenets of its Catholic designation, Governing Bodies of Catholic schools and academies must always have a majority of Foundation Governors.

The Diocesan Bishop is Canonically responsible for his schools and academies. He ensures that the Catholic ethos of the school/academy is maintained, particularly through the appointment of Foundation Governors, but also through overseeing the appointment of members of staff and through Diocesan inspection, in order to ensure that the school/academy is fulfilling the objects cited in its Instrument of Government/Articles of Association and the trust deed under which the school/academy was established.

\* Co-opted Governors are appointed by the Governing Body and are people who, in the opinion of the Governing Body, have the skills required to contribute to the effective governance and success of the school/academy.

### **Governing Body's work this year and Governors' Attendance at full Governing Body meetings**

*[The Governing Body must set out the purpose of the work undertaken by the Governing Body as a whole as well as any particular issues they encountered and how they were dealt with.]*

- The full Governing Body has met 4 times during the year.
- There have not been any meetings cancelled because due to insufficient or "quorate" numbers.
- Overall, Governors have excellent attendance at Governing Body meetings. Individual Governors' attendance during the year at Governing Body meetings can be found at **Appendix 2**.
- A Strategy Meeting took place on 20 March 2023 to provide the governing body with the opportunity to discuss the criteria for the school's performance measures and how they integrate with our Ofsted Self-Evaluation judgement.
- The Governing Body are satisfied that the Quality of Education provided for the pupils of St Edmund Arrowsmith is of a very high standard and that the pastoral care and support provided is also of an extremely high quality.
- The management of the school budget is very well maintained by the School Business Manager who continues to provide the Finance, Premises and Personnel sub-committee with highly detailed and accurate budgetary figures. The school remains in a balanced budget position for another year, which is a remarkable achievement in these very difficult times.

- Governors are pleased that the Archdiocese agreed to finance and manage the large-scale repair of areas of the school roof to take place. This essential repair work will reduce the damage created to the school building during periods of heavy rain and enhance the structural integrity of the building. It will also reduce or hopefully negate the costs associated with continually undertaking repairs.
- Governors have attended school events wherever possible throughout the academic year.

### **Governors' Future Plans for the School**

- The strategy meeting focused on the criteria for the school's performance measures and how they integrate with our Ofsted Self-Evaluation judgement. It was an open and frank discussion on the options process and whether students are provided with the best choice of KS4 subjects. The governing body support the decisions made by school leaders with regards to the offer made to pupils and will continue to review this strategy.
- The school's leaders believe that the education provided to students should inspire every pupil to want to make the world a better place. Equal emphasis is given to every pupil achieving their potential both academically and spiritually.
- Governors agreed that the current options process is the best fit for the students at SEACHS and it should continue to be implemented in its current format, despite the impact this has on the EBacc progress measure.

- The 3-year School Improvement Plan (SIP) continues to be reviewed to ensure that the outcomes across all departments are consistent and raise progress and outcomes for all students.
- The Governing Body will seek to ensure that the strategies implemented by school leaders as outlined in the School Improvement Plan are successful, show evidence of progress and move the school towards Outstanding. Also, that the pupils continue to receive an excellent education and high levels of pastoral care.
- The potential academisation of Catholic schools in the Liverpool Archdiocese will continue to be a topic of discussion as this has major implications for the future running of the school.
- The meeting schedule will ensure that the Full Governing Body works cohesively with the sub-committees reporting into the FGB at the end of each term.
- The FGB will continue to follow the Agenda items provided by Wigan's Governor Services, as this ensures that all relevant items for discussion are incorporated into the process. The Clerk will also bring relevant matters of interest to the Chair's attention for inclusion when appropriate.
- Members of the FGB will continue to attend relevant training courses to enhance their knowledge and understanding of school governance.
- Those governors who are aligned to Departments/specific areas of responsibility will ensure that they carry out link visits and report their findings back to the FGB. This is a crucial operation of the members and is integral to gaining a better insight into the key performance indicators of the school.

### **Minutes of Governing Body and Committee Meetings**

Minutes of Governing Body and Committee meetings are public documents and if you would like to see a copy of the minutes you can ask The Clerk to Governors, Mrs Pamela Lennon (01942 728651 x 2223)

### **Review of Value for Money**

The Governing Body has used its resources to provide good value for money during the academic year and has assessed where value for money can be improved including the use of benchmarking data where available. The Governing Body has delivered value for money during the year by ensuring that the School Business Manager has been able to report with transparency, providing support and advice where appropriate. The school has been able to maintain the setting of a balanced budget for the forthcoming academic year 2022-23, which is remarkable given the current difficulties regarding school funding.

## **The Risk and Control Framework**

The School's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability, where appropriate. In particular it includes: –

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body;
- Regular reviews by the [Finance, Premises & Personnel Committee] of reports which indicate financial performance against the forecast and of major purchase plans, capital works and expenditure programmes;
- Setting targets to measure financial and other performance;
- Clearly defined purchasing (asset purchase or capital investment) guidelines;
- Delegation of authority and segregation of duties;
- Identification and management of risks.

## **Capacity to Handle Risk**

The Governing Body regularly reviews the key risks to which the School is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks.

## **Review of Effectiveness**

The Governing Body has responsibility for reviewing the effectiveness of the systems in place in the School to identify and manage risk and plan to address any weaknesses (if relevant) and ensure continuous improvement of the system is in place.
