Dear Parent/Carer

We have had a wonderful first week in school and have had an extremely positive start to the school year, thank you for helping us to achieve this.

Some parents will already know that one of our family of Primary Schools, Our Lady Immaculate in Bryn is under threat of closure. As one of our feeder Catholic primary schools and indeed one of our founder schools in 1961, it is an integral member of our family of schools that make up the St Edmund Arrowsmith community.

Being able to choose a Catholic education for all our children has always been an extremely important component in all of our lives. This potential closure will have significant consequences for present and future Catholic families in the Bryn area.

It also deeply concerns me that this could fundamentally change the nature of our school community at St Edmund Arrowsmith as I fear the children that would have attended Our Lady Immaculate will be lost to Catholic education at both primary and secondary level.

I am asking for your help to support a petition that has been setup to show the strength of feeling in our Catholic community that Our Lady Immaculate should remain open. Please support this petition by clicking on the link below:-

Many thanks in anticipation of your support.

Yours faithfully
