Dear Parent/Carer

I write to you to inform you that we will be closing our '**X**' (formerly Twitter) account at the end of February half term.

We have taken this decision as we no longer feel that the platform reflects our values or professional principles due to the use of the AI tool to sexualise images. The only reason that we are not closing it straight away is that our two school trips at half-term are using it to communicate and update parents.

When we return after half term we will be using '**Bluesky**' as our only social media presence. We will use '**Bluesky**' to celebrate all the amazing work and activities that our pupils are involved in.

The account is already open, and you can view it by clicking on the link below: -

<https://bsky.app/profile/seawigan.bsky.social> OR you will find us using **@seawigan.bsky.social** on the app.

Why not download the app onto your smartphone and start to follow us straight away?

Thank you for your continued support, it is always greatly appreciated.

Yours faithfully

M J DUMICAN
