How to Confirm a Place

We expect this trip to be very popular and the number of pupils wishing to attend the trip will most likely exceed the number of places available. Should this happen, we will choose pupils at random and place the others on a waiting list. All pupils will be informed. Please note that payment of a deposit does not guarantee your child a place.

If you wish your child to be considered you must pay your first deposit (cash or cheque) of **£50.00** to the Finance Office by **Friday 26 January 2024**. Payments should be given to the Finance Office in an envelope clearly marked with your child's name and 'New York Maths Trip 2026'.

You will be informed if your child has a place on the trip at the start of February 2024. Further payment details will then be arranged.

Cheques should be made payable to 'St Edmund Arrowsmith High School' (should a cheque fail to clear then the cost will be forwarded to you). We regret that if a cheque fails to clear then a charge of £6.00 will be added to the balance.

Yours faithfully
