

Year 11 - Revision Planner for Trial Exams

Name: _____

Mentor: _____

This booklet will help you plan your time in order to effectively prepare for your Trial Exams

Write down all of your subjects and list how many exams you are taking for each. Decide how you wish to split your afterschool revision sessions up and your weekend revision sessions ie 1h or 30 minute sessions and how many each day/evening. Doing both of the above should guide you to work out how many sessions you should dedicate to each subject over each week.

Create a plan and follow it. It will be worth it in the end. Good luck – You can do it!
