

SPRING TERM 2026

Careers Week: Monday 23 March – Friday 27 March 2026 A key highlight of the spring term in the Personal Development Curriculum was our School Careers Week. The event provided students with opportunities to explore a wide range of career pathways, hear from industry professionals, and gain a clearer understanding of the skills and qualifications needed for their future ambitions. Through a variety of engaging activities, students were encouraged to reflect on their own goals and consider the steps they can take to achieve them.

Become a Geography Job Expert

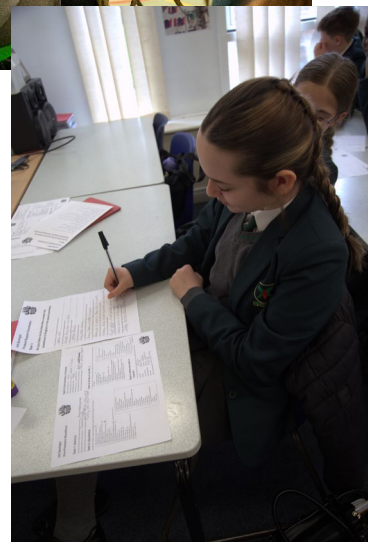

You have 20 minutes to create a presentation on A4 piece of paper for one of the following jobs

- Meteorologist
- Town Planner
- GIS Specialist
- National Trust Ranger

Use the resource sheets to help you...

- ✓ To demonstrate the skills you would need for one of the jobs
- ✓ Include images- cut these out and stick them on
- ✓ Use at least 5 of the key skill words from the start of the lesson
- ✓ Write one sentence for each on how you would demonstrate it in the job.

#ChooseGeography

“I would just like to say that I really appreciate the time and effort you put into careers week, the little signs on the teachers' doors about how they got to the place they are now, was a great idea and really inspiring.”
Year 11 Student, March 2026
