Dear Parent/Carer

School Synergy – Parent Portal Year 7

As your child embarks upon their high school journey, we understand that as parents you would like to stay informed about how your son or daughter is doing in school; to assist us with this, I would like to introduce you to a platform called '**School Synergy**' which enhances the level of communication between school and home.

School Synergy can provide you with critical information about your son or daughter's schooling such as: attendance and punctuality, student timetable, homework, achievement points and also, if your child is displaying behaviour that may limit their progress. All this information will be available to you in real time.

School Synergy, coupled with the school website, are the 'go to' places for you to receive information surrounding school news.

For you to obtain this information, you will shortly receive a welcome email from School Synergy with a temporary password. All accounts are unique to you and your child therefore each parent/carer who wishes to have access, will need their own details.

If you would like another family member to have access to School Synergy, please contact Mr J Hooton in school who will arrange for an additional account to be created.

Further information about School Synergy will be explained during the **upcoming Year 7 Guidance Evening** on **Wednesday 23 November 2022**.

I am confident that you will find School Synergy to be an incredibly useful tool in tracking your child's progress.

Yours faithfully

D Cullen
