20 October 2025

Dear Parent / Carer

I would like to take this opportunity to invite you to an information evening, **"Supporting Success in Y10"** which will be held in the School Hall on **Tuesday 4 November 2025**.

The structure of the event is that 2 sessions will be held on the night: -

Pupils from the X band (forms A-H) 1st session at 6.30pm	Pupils on the Y band (forms L-W) 2nd session at 7.00pm
--	--

Pupils should also attend the meeting but there is no requirement for them to wear school uniform.

This is a very important meeting for our Y10 families, particularly because of the GCSE journey that pupils are embarking on. Our aim is to provide valuable support so that our young people can achieve the best possible GCSE results. On the evening families will receive pupil's GCSE target grades. They will also be informed of the school's assessment monitoring processes which are designed to maximise pupil progress.

Following feedback from previous information evenings, we have decided to provide additional support to our families regarding revision and independent study. We understand how daunting this process can be for our young people, especially when preparing for GCSEs, as well as for parents/carers so this activity should prove very useful. Members from the English, maths, science and RE department will guide pupils/parents and carers through the assessment expectations and demonstrate the most effective ways to prepare for them. This session will take place in small groups.

There will also be an opportunity to speak with members of the Senior Leadership Team or the Year 10 Director of Learning, should you have any concerns or queries about your child's progress.

Please confirm your attendance by using the Arbor app: click on **School Trips: Supporting Success in Year 10 [A-H]** OR **Supporting Success in Year 10 [L-W]**. We look forward to welcoming you on the night.

Yours faithfully

A REARDON
Director of Learning – Y10
