

SUBJECT: Geography

Year Group	Year 11					
Rationale	Students will complete all study for the Paper 2 'Human Geography' component of the course. This will be completed by the end of Spring Term 1. February to May will be allocated to preparing for the Paper 3 Issues (Pre-release March 2025) and Fieldwork component, as well as 6 weeks of dedicated exam revision. 'Way Points' and 'End Points' will allow staff and pupils to focus on effective knowledge retrieval, as well as continuous application of knowledge.					
	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Knowledge	Topic/Unit: Paper 2: Urban issues and challenges - Urban change in cities in the UK leads to a variety of social, economic and environmental opportunities and challenges. - An example of an urban regeneration project to show the reasons why the area needed regeneration and the main features of the project. - Urban sustainability requires management of resources and transport. The changing economic world There are global variations in economic development and quality of life.	Topic/Unit: The changing economic world - There are global variations in economic development and quality of life. - Various strategies exist for reducing the global development gap. - Some LICs or NEEs are experiencing rapid economic development which leads to significant social, environmental and cultural change – India Case study - Major changes in the economy of the UK have affected and will continue to affect employment patterns and regional growth.
