Dear Parent / Carer

I would like to invite you to attend our **Year 11 Parents' Evening** on **Thursday, 12 February 2026**, from **4.30pm to 7.30pm**. This evening plays a vital role in supporting our students as they prepare for their final GCSE examinations in May/June.

As discussed during the Guidance Evening in October, when you met with your son/daughter's mentor, this stage represents a crucial point in their GCSE journey. Students will have just completed their trial exams, and this evening provides you with a **vital opportunity** to meet subject teachers to review progress and discuss the next steps to ensure they are fully prepared for their forthcoming GCSE examinations.

An appointment system will be in place which will help to alleviate queuing time. Pupils will be asked to make appointments with their subject teachers via an appointment card. Please let your child know what times you are available, so that they can arrange appointment times to suit you. Interviews are scheduled to last for **3-minutes**.

To confirm your attendance, please return the reply slip below; send a message via Arbor OR write a note in your child's jotter. On receipt of this, your child will be issued with an appointment card. It is then their responsibility to make appointments with their subject teachers. *I would encourage you to reply as soon as possible as an early response is more likely to give you the time slots you want.*

Parking is available on the school car park (via Rookery Ave). A one-way system will be in place. Additional parking is available on St Oswald's church car park (WN4 9NU). **Please refrain from parking in the adjacent streets to allow flow of traffic and minimise disruption for our neighbours.**

Thank you in advance for your cooperation and look forward to seeing you on your child's **final** Parents' Evening with us. It marks the end of a journey for us all and I wish them and yourselves the very best in the future.

Yours faithfully

D HALLIWELL
Director of Learning – Y11
