Creative Curriculum- Foundation Subjects

Art- We will be learning how to create prints of flowers and use these to create patterns using the colours of the 1960s.

History- We will be learning what it was like to be at school in 1969- how children learnt and the games they played.

Geography- We will be using our models of houses and shops to create a new town and creating maps of how we want the town to look.

DT- We will be creating models of houses and shops which will be used to create a model town.

Computing- We will be learning how to create an information file of our research into the topic of 1969.

Music- We will be learning the songs Let it be and Help. We will be playing instruments and comparing the two songs.

PE- We will be working with the PE specialist to participate in athletics.
