

St. Edmund's Catholic Primary School

Year 1&2 Knowledge Organiser

Create — Summer 1 Cycle A

The 'Create' topic is about ...learning through creation. The children will further develop their creative skills by drawing shapes from observations and by Investigating textures by describing, naming, rubbing and copying.

In science they will Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.

In English the children will be able to retell familiar stories in a range of contexts and discuss the main events in stories .

In RE the children will recognise that for Christians, Sunday is the special day of the week and that there are times when we need to acknowledge our sorrow for making wrong choices.

What we already know...they know how to use some different drawing materials. They know the names of some plants and trees and they can discuss familiar settings and what they are.

By the end of the topic we will know (NC)

- Understand the importance of sleep, exercise and healthy eating.
- How to make rubbings to collect textures and patterns.
- How to identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.

By the end of the topic we will be able to (skills progression)

- Draw on different surfaces with a range of media.
- Explain how germs travel and spread disease.
- Observe, measure and record events, systems or phenomena.

Let's try this at home

Draw a poster showing a holiday destination or write a report about a place you have visited on holiday.

Create your own 'natural' art using items from your garden or from a local walk.

Key Dates for this half term

Unfortunately, due to Covid 19 restrictions, no trips, visits or presentations have been organised this term.
