This Weeks Spotlight!

Year Three & Four

This week in Year 3/4 has been a very adventurous one! We started off the week with our Sport's Day. The children took part in sprints, sack race, water races, fancy dress and even a tug-of-war! The children all behaved brilliantly and had a wonderful time. While in Maths this week, we've been exploring the world of angles. The children spent Thursday making their own right-angle monster to see how many different right-angles they could find around school - who'd have thought there would have been so many?! While in English, the children have been learning about debates, justification and using evidence to back up a point. Well done on a brilliant week, Year 3/4!

Classroom News!

EYFS

On Monday, the children made us so proud during sports day. They were fantastic at the races and their behaviour in such hot weather was amazing too. Well done to all of them. The children have enjoyed playing outside in the lovely weather we have had this week. We have also been reading the story 'Meerkat Mail.' This led us to talking about different animals from around the world and their homes.

Year One & Two

Year 1&2 have enjoyed a week full of fun and learning. We had a fantastic start to the week with sports day on Monday and the children all had fun and tried their best to help their house win points. We have started our final maths topic of the year on weight and measure and have enjoyed using scales to see which objects are heavier or lighter. In PSHE, we have spent time talking about friendships and how important a good friend is. In RE, we looked at how the earth is one of Gods greatest treasures and gifts to us and what we can do to look after it. Good work Year 1&2!

Year Five & Six

We have had a very exciting week in Year 5/6, in class we have had a Harry Potter themed week doing lots of interesting activities. We decided which houses we were in, we had a bubbling potions workshop and are making our way through the book. On Monday, we had sports day and all the children did brilliantly! On Tuesday, we went to Rock and River, the children had a great time rock climbing, jumping from high places, canoeing, paddle boarding and swimming in the lake. It was lovely to see the children having a great time and supporting one another. Year 6 also had their leavers trip to Southport where they played laser tag and bowling, another good evening. Well done for an excellent week year 5/6!

This term's winning house team is:

Anderson

who has won a chocolate bar.

This year's winning house team is:

Announcement: Family Attendance Draw

At the end of each term, we are going to have an **attendance draw**. For every full week a child is in school they will receive a ticket which will be entered into the end of term attendance draw. Therefore the more full weeks your child is in school the greater chance you have at winning the draw. The prize will be a £25 voucher for Asda.

Dear Parents and Carers

Another exciting week at St. Edmund's. Thank you to all those parents who came to the Sports Day, it was a fantastic event and the children really enjoyed racing against each other. My favourite event was the tug of war particularly watching the younger children trying their best to win.

We had an excellent trip to Rock and River with our Year 5/6 children. The children had great fun completing all the activities. This will become the yearly trip for our Year Five and Six children. We also took our Year Six children out bowling and to laser quest in Southport to celebrate the end of their time here at St. Edmund's. This also will become a yearly trip for them too.

We only have four days left in this school year, but they are packed full of fun. Please make sure you have read the information about the:
