This Weeks Spotlight!

Year Three & Four

This week in year 3 4 we have enjoyed tasting fruit kebabs, we particularly liked the delicious and sweet juicy taste of the different seasonal vegetables and fruit that you can buy from the supermarket. In English, we wrote repeating poems based on a dragons eye and came up with some excellent similes to describe the colours, features and scales. In maths, we have been identifying parallel lines on 2d shapes such as quadrilaterals as well as right angles. In P.E. we have enjoyed using tactics and different strategies in different invasion and team games as well as building dens and working on our fitness. It has been a very busy week, but a fantastic one on which to finish. From everyone in year 3 4 we would like to wish you a happy summer holiday and are already looking forward to next year.

Classroom News!

FSU

Well what another wonderful week it's been in our FSU! We had such an incredible time on our Teddy Bears picnic and summer walk, I think we ate 3 breakfasts and lunches that day and the weather was beautiful! Our teddies had such a lovely time with Miss Baxter's giant teddy, Elliot.

It has been a sad and also very happy day today as we celebrate the start of our Summer holidays but we have had to say goodbye to Miss Baxter and Miss Allen and there have been lots of tears! Miss Baxter enjoyed her surprise too, we all practised the 'you got a friend in me' song with actions and sang it beautifully to her!

Have a wonderful Summer everyone! What a great year we have had together!

Miss Baxter, Mrs Regan and Miss Allen

Year One & Two

Well the end of the school year has arrived and Year 1&2 have worked their socks off to get everything finished, tidied and ready for the summer holidays. In English, the children have written some beautiful acrostic seaside poetry. We did some comparing of the seaside, town and country in Geography and in Maths, Year 1 compared numbers whilst Year 2 continued learning how to tell the time. In RE, the children have learnt how and when Judaism began. The holy books that Jewish people read and also their places of worship. On Wednesday, we enjoyed the beautiful summer weather on our walk to the Tawd Valley and then shared a lovely picnic with our friends and teddy bears back on the school field.

Year 1&2 hope all the children, families and staff of St Edmund's have a restful, safe and enjoyable summer break!

Year Five & Six

Year 5/6 have had a very unusual week this week! We started off the week by finishing of our Ancient Greek topic. We studied the Battle of Troy and completed it in English, where we completed a fact file on 'What the Ancient Greeks' did for us'. In mathematics, we investigated real-life problems linked to cooking times in our bakery project.

Unfortunately, the rest of our week has been disturbed by factors out of our control. However, they did shine bright during the times our visitors were watching our learning. Year 6 also had their time to celebrate, with their fun-filled leaver's disco and McDonalds treat.

Mrs Buckley: 'It's a sad farewell from me, I will miss all the the children and staff at St Edmund's, especially my superstars in Y5/6. Unfortunately, we didn't get to say our final goodbyes, but I know you will keep reaching for the stars! Thank you for making me feel so welcome and good luck for the future.'

Classroom Rewards

Each week children are encouraged to complete their work to a high standard (St. Edmund's Standard). Children who have tried their best to try and reach this standard will be awarded the 'St. Edmund's Standard Award'. Children are also encouraged to follow the school mission statement and show 'Care, Consideration and Courtesy' towards each other, children who show acts of kindness which follow the mission statement will be awarded the 'Care, Consideration and Courtesy Award'.

Care, Consideration and Courtesy Award

Dear Parents and Carers

I cannot believe I have been a part of St. Edmund's family for a year, it seems to have gone really fast. I feel very privileged to be a part of it. The children have been absolutely wonderful during what has been a very difficult year. The children are a credit to you and your families.

We are very sad to be saying good bye to: Miss Roberts, Mrs Buckley, Miss Baxter and Miss Dawson this year. We are very grateful for their support and thank them for their impact on our children's learning. They will always be a part of our family and hopefully they will come and visit.

We say good bye to our Year Six children who, unfortunately, have missed their last couple of days because of a COVID case in their class. We wish them well on the next step on their journey and will always remember them. We know that they will do well. Good luck Year Six.

We look forward to seeing you on Monday 6th September. We hope that you have a lovely summer holiday and we keep our fingers crossed that the beautiful weather continues.

Take care

Mrs Birmingham

Year Six Party Photographs

Good bye to all our wonderful Year Six children we wish you well in your new High School and we know you will all do well. Don't forget you must always aspire to be the best you can be. Take care
