

St. Edmund's Catholic Primary School Newsletter

Thursday 21st July 2022

Dear Parents and Carers

We have had a very busy week this week. On Monday, we had our Sponsored Water Run. The children raised a staggering £560 which we cannot thank you enough for. The money will be used to help fund some of our trips and visitors next year. It was an excellent occasion which all the children enjoyed, especially getting the teachers wet. It was also handy that it was planned for one of the hottest days of the year, so it kept us all cool.

We thanked Mrs Fran Hopkins for her service as a school governor this week. She has served as a school governor for 44 years. Thank you Fran for all that you have done for the school.

We lose Miss Humphreys this week from Year Five and Six. She has been with us since March and has worked really hard with our Year Five and Six children. She moves to Bishop Martin and we wish her lots of luck.

We are also sad at this time because it is time for our Year Six children to move to High School. We will miss them but also realise it is time for them to move on, they are ready for more independence and responsibility. We wish them luck. We have put a short presentation of them together if you would like to view it please click on the link below:

I am glad to inform you that we will be using our Sports Premium grant to continue funding extra swimming for Key Stage 2. The swimming lessons have been highly successful this year and we have had quite a few children who have made great improvements. We have also decided to secure a forest school teacher once a week who will teach all children about the great outdoors whilst encouraging children to work as a team using perseverance and resilience.

I just want to take this opportunity to thank all the staff for all the support they give to me. They have your children's best interest at heart and strive everyday to ensure they receive the best education possible so they can be the best that they can be.

I feel it has been a successful year at St. Edmund's, we have achieved a lot during this year and we look forward to continuing our journey of development in September. We hope that you have a lovely holiday.

Take care

Mrs Birmingham
