This Weeks Spotlight! Year One and Two

We have had an amazing week in school: we have to the Tawd to look for signs of Spring. We found buds, new leaves growing and spring flowers.

We have also been thinking about Easter and it's importance. We have made Eggs for our Collective Worship tree, Rice Krispy cakes and Easter Cards.

Have a great Easter from Year One and Two.

Classroom News!

FSU

This week has been very exciting for FSU! A beautiful Spring walk and a special visit from the Easter Bunny. We have also spent lots of time learning our special Easter story. Have a wonderful Easter everyone!

Year Three & Four

This week, the children in year 3 4 have been busy writing non-chronological reports on Roman food and learning about the luxury meat they enjoyed eating including pheasant and goose. They have also been practicing their sewing skills in Design Technology to add pockets to their map case and purse.

Year Five & Six

This week is Year 5/6 we have been discussing the vocabulary used in our class novel and identifying detailed descriptions of the setting. In Maths, we have been exploring powers of 10 and positive and negative numbers.

In Science, we have been looking at the growth patterns of babies and constructing graphs to show their development. During our Come and See sessions, we have been discussing the Stations of the Cross and the sacrifices Jesus made for us.

Message from the Headteacher

Dear Parents and Carers

I can not believe it has been a year since we went into lockdown and started following social distancing rules. It is good to remind ourselves of all the people who have been working really hard during lockdown to ensure we can begin to move towards normal life. I especially give thanks to our NHS but also all the scientists who have created the vaccine, the people who manufacture the vaccine and the people who work behind the scenes in the council, health service and other public services to ensure the smooth running of life including those who work in our food industry.

Easter is a good time to reflect on our lives, make positive changes and give thanks to God for our families. I wish all the families of St. Edmund's a Happy Easter and look forward to seeing you in April.

Take care and be safe

Mrs Birmingham

Classroom Rewards

Each week children are encouraged to complete their work to a high standard (St. Edmund's Standard). Children who have tried their best to try and reach this standard will be awarded the 'St. Edmund's Standard Award'. Children are also encouraged to follow the school mission statement and show 'Care, Consideration and Courtesy' towards each other, children who show acts of kindness which follow the mission statement will be awarded the 'Care, Consideration and Courtesy Award'.

St. Edmund's Standard Award

Tyler James
