

## Friends of St Gregory's Autumn/Winter Term

### **Newsletter**

### **AGM News**

Following on from our AGM, we are delighted to report that with your help and support last year we raised £7516! Thank you to each and everyone of you for your support. We have pledged £1000 for new reading books and also to provide an additional class trip for every child to enrich their learning in line with the new curriculum. We will also be contributing to the visiting Panto of Sleeping beauty, which takes place on 26th November.

Our new committee members have been voted in. Please see our website to see who we all are!

### **Christmas Trees**

For the 6th year running we are selling beautiful 'Nordmann Fir' non-drop Christmas trees. You have the option to choose and collect your own or alternatively have one delivered to your door. Every year we get amazing feedback about how perfect these trees are, they even come with a replacement guarantee should something go wrong. We do advise you keep them watered 1-2L every day and to keep them away from heat sources. These really are the best trees in the country for a fraction of the cost and you help us raise money for your children at the same time! Last orders are Friday 29th November via our website.
