

Dear Parents and Carers,

Welcome back to the final term of this year. It promises to be a very action packed 7 weeks.

Children in year 1 and year 2 have been invited to take part in a new after-school club with Chorley School Sport Partnership, called 'Play and Skills at Teatime', funded by Lancashire County Council via Chorley Council, to help support families and children with health and wellbeing. Children will enjoy taking part in fun physical activities developing multi skills and fitness, building on what they are learning in PE lessons. The children will also be involved in preparing a healthy evening meal for everyone to enjoy together (all the ingredients will be provided). St Gregory's after school club will start on Friday 16th June from 3.30pm until 5pm for 6 weeks. Forms have come home tonight so please return the slips by Wednesday next week.

Summer Fair – update

In order to support this years, exciting summer fair we are proposing a few non-uniform days. The children will be allowed to come to school in their own clothes but must bring in an item to support the fair.
Friday 23rd June – donation of a new outdoor toy,
Friday 30th June bottles of wine.
Friday 7th July- cakes

PARKING

Due to the scaffolding and building work being completed at school, can I ask that all parents refrain from parking on the school carpark **at all times**. Thank you for your assistance

UNIFORM

This week the staff have been asked to send out messages to all classes about school uniform. We pride ourselves on how smart we look and therefore the correct uniform and PE kit **MUST** be worn at all times. If any of you have issues with uniform please talk to our wonderful PTA who can help with cheap pre-loved uniform. We also allow the children to come to school in their own clothes when they have a birthday. When it is non-uniform please make sure that what the children are wearing is appropriate for school.

Holy Communion

The children in year 4 completed their final session with Fr Graeme on the 23rd of May and he was very impressed with the support from parents, however can we please try to make the effort to attend masses over the weekends as this is the best way to prepare the children for their special day.

Journey in Love

As part of our RSE (Relationships and Sex Education) and health education programme the children will be covering various topics over the next few weeks. The teachers will be encouraging children to discuss these issues with their parents.

*“In the joy of the Gospel we **will work together to be kind, be fair and honest, and become the people Jesus calls us to be.***

Merit Winners	Stars of the Week	Value of the Week: Friendship
REC: Millie	REC: Reggie G	REC: Ezra
Y1: Chloe W	Y1: Amelia G	Y1: Luca S
