

Catholic Life of the School

Next week we enter Holy Week so this week we have been spending a lot of our time focussing on the events of Jesus's life and death. Yesterday year 4 worked hard to deliver these events through our annual Easter service in school. The service was outstanding and brought many parents and staff to tears. A very moving and reverent service backed up by very talented musicians. Well done to everyone involved and thank you to all the parents who took the time to send lovely comments too. The non-uniform today raised a further £151.

The total raised for The Good Shepherd this term is £451.65p so far.

Thank you to everyone!

Weekly Gospel: John 11: 1-45 Lazarus is raised from the dead.

Weekly Value: Forgiveness

Parents Evening.

Thank you to all the parents who came to parents evening last night and on Monday for year 4. It was lovely to see so many of you in attendance and I thank you for your supportive comments too.

Dodgeball and Netball

Congratulations to both the dodgeball team and the netball team who played many matches at Albany last night and were unbeaten. Netball team played 5 and won 5. They have now qualified for the finals as champions. Well done to coach Rypel and Waite. The GLOW IN THE DARK DODGEBALL was a new event and thoroughly enjoyed by all. The team played 5 and won 5 games again well done to the coaching team of Drinkwater and Darbyshire

Love of Reading

We would like to celebrate our 'love of reading' in school, so over the Easter holidays I would like to set the pupils a special challenge. As there is no homework set this holiday (except Year 6, who are working hard towards their SATs), we would like to collect as many photographs of children reading with adults in unusual places! There will be special recognition for all who submit a photograph! Please see your child's See Saw account for this special activity – I have set the task for them to do with clear instructions on how to upload the photograph for me to see! I can't wait to see what your creative reading looks like! Look out for more reading challenges from me over the next term.

Finally, I would like to wish you all a very Holy Easter and thank everyone for all their support this term. We continue to grow as a community and encourage our children to **BE KIND, FAIR AND HONEST**. I look forward to seeing all the children return safely on Monday 17th April. Have a good break!

“In the joy of the Gospel we will work together to be kind, be fair and honest, and become the people Jesus calls us to be.

Merit Winners	Stars of the Week	Value of the Week: FORGIVENESS
