

17<sup>th</sup> October 2022

Dear Parents/Carers,

As we approach the last week before we break up for half term we would like to remind and inform you about a few things taking place.

### **RHE – Relationship and Health Education**

The delivery of RHE is a statutory requirement for primary schools and in 2019, the school held extensive consultation with parents when revising the scheme of work. This week you will receive a letter from your child's teacher outlining the coverage taking place in each unit using the scheme 'Ten Ten'. We suggest you read this and please do not hesitate to come and speak to us if you have any questions.

### **Halloween Disco**

The Halloween Disco takes place on Friday 21<sup>st</sup> October.

**EYFS/KS1 will start 4:00pm – 5:15pm and KS2 will start 5:30pm – 6:45pm.**

Family tickets are priced at £5 and individual tickets are £3, this includes a hotdog and drink (vegetarian hotdogs will be available).

As mentioned, costumes are optional. Please drop your child/ren off at the hall door (next to the main reception) where you will pay for your ticket. When collecting your child/ren the hall doors on the opposite side (access through the small gate on the staff carpark) will be open, please use these.

If you would like to donate any unwanted costumes we would be very grateful.

### **Building Fund Contribution**

Each year we ask for a voluntary donation of £20 per family towards the Salford Diocese Building Fund. Every year we benefit greatly from the scheme. Your donation assists greatly with building projects for our school. This is available to donate through Parent Pay.

### **Asthma**

As part of accepted good practice and with advice from the Department for Education and Asthma UK, our school will be continuing a School Asthma Policy for use by all staff and will use the 'Asthma Card' which parents/carers are required to complete. If your child has asthma please collect a card from your class teacher or the school office. If you have completed a card previously and the circumstances have not changed there is no need to complete a new one.

Children who have 'reliever' inhalers in school are permitted to keep them on their person, in their tray, bag or locker. It is expected that they are aware of the signs of needing an inhaler and can administer it themselves. Obviously younger children will be given support if required.

## **Year 6 Residential**

Thank you to those parents that were able to attend last week's meeting about the residential. The cost of this trip is £270 which covers accommodation, food, transport and all activities. This can be paid in instalments throughout the year through Parent Pay. We will be holding another meeting in the Spring Term to finalise details.

## **Reminders**

We look forward to seeing you throughout the week at Parents Evening. You should all have been given appointment times, if not please speak to your child's class teacher.

On Friday, we will celebrate our Harvest Mass (Years 1-6) at 9:30am. Thank you for all your kind donations which the Caritas Ambassadors will be taking to Stretford Food Bank later on this week.

Yours sincerely

Mr Smith and Mrs Atherton
