### **Gates**

As from today the larger gates onto the playground will be open to pedestrians to drop off and collect children. Obviously the small gate is no longer viable as our numbers increase but a very unpleasant incident this morning has prompted a change in policy.

Whilst on the school premises I must insist we are positive role models for our children and that certain behaviours will not be tolerated. Overall our children are well behaved, polite and respectful and I expect all adults to follow their example when visiting our site. Adults arguing and becoming physical is unacceptable and I would have no hesitation in removing a person's right to visit school or involving the police if their behaviour is not appropriate. I apologise to our respectful parents and visitors for the tone of this letter but a few incidents lately have really sickened me and will not be tolerated. Is this really the community we want for our children?

### **Parking**

Whilst addressing these issues I have to once again appeal to you regarding parking. This week one of our neighbours on Winchester Road was verbally abused by one of our parents when she asked them not to park across her drive. Once again I am astounded and ask you to follow the lead of our fantastic children. They will all tell you good manners cost nothing and being respectful to each other is a basic principle.

I look forward to your cooperation in these matters.

Yours sincerely

M Mountcastle
