

DT Long term plan

This is our 2 year plan. Teachers can change one topic out of the three if they desire. This is to allow for creativity and cross circular links to be made where appropriate if the same skills are covered, e.g changing Vehicles to Kites in Year 2

Cycle A	Cycle B
<p><u>Year 1</u> Eat more fruit Moving minibeasts Stable structures</p> <p><u>Year 1/2 *</u> Eat more fruit Moving minibeasts Stable structures</p> <p><u>Year 2</u> Puppets Vehicles Perfect Pizzas</p> <p><u>Year 3</u> Storybooks British Inventors Light-up signs</p> <p><u>Year 3/4</u> Storybooks British Inventors Light-up signs</p> <p><u>Year 4</u> Seasonal Stockings Making mini greenhouses Seasonal Food</p> <p><u>Year 5</u> Building Bridges Chinese Inventions Fashion & Textiles</p> <p><u>Year 5/6**</u> Building Bridges Chinese Inventions Fashion & Textiles</p> <p><u>Year 6</u> Programming Pioneers Bird House Builders Making Bread</p>	<p><u>Year 1 / Year 1</u> Eat more fruit Moving minibeasts Stable structures</p> <p><u>Year 2</u> Puppets Vehicles Perfect Pizzas</p> <p><u>Year 2/3</u> Puppets Vehicles Perfect Pizzas</p> <p><u>Year 3</u> Storybooks British Inventors Light-up signs</p> <p><u>Year 4</u> Seasonal Stockings Making mini greenhouses Seasonal Food</p> <p><u>Year 4/5</u> Seasonal Stockings Making mini greenhouses Seasonal Food</p> <p><u>Year 5</u> Building Bridges Chinese Inventions Fashion & Textiles</p> <p><u>Year 6 / Year 6</u> Programming Pioneers Trenches Making Bread</p>

* There will be 15 children who will 'repeat' this cycle. We have discussed that this class will adopt different tasks every alternate year i.e. look at making a different minibeast, make a fruit smoothie as opposed to a fruit salad, make a different stable structure.

** These topics are 5/6 topics so give sufficient coverage for the 15 Year 6's in that class.
