

Monday 13th November 2023

Dear Parents/Carers

This week, the school will celebrate the feast day of our saint, 'St Hugh of Lincoln'. The whole school mass will be held on Friday 17th November at 9:30am. It would be lovely for you all to join us in celebration. The mass will also pay tribute to Pauline Sheldon's extensive time as one of the school's governors who has retired from her role. We would like to thank Mrs Sheldon for her commitment and dedication to our school over the past 17 years.

In addition, the children will be asked to wear orange on Friday in dedication to Jude Anderson who sadly passed away from Bone Cancer. Jude was a former pupil who would have been 18 years old on Friday. We are asking for a £1 donation as we are fundraising for the Bone Cancer Research Trust. Thank you for your continued support.

Reading Breakfast

Thank you to the parents/carers and children who attended the Year 1 Reading Breakfast on Friday. This Friday we will hold the Reading Breakfast for Year 2 children. Please come to the school hall at 8:30am. Refreshments will be available and we hope this week we don't burn the toast!

RHE – Relationship and Health Education

The delivery of RHE is a statutory requirement for primary schools. At the start of the Autumn Term, you received a curriculum overview informing you about RHE taking place this term. We suggest you read this and please do not hesitate to come and speak to us if you have any questions. If we do not hear from you we will presume that you want your child present for these sessions.

Building Fund

Each year we ask for a voluntary donation of £20 per family towards the Salford Diocese Building Fund. Every year we benefit greatly from the scheme as your donation assists greatly with building projects. This is available to donate through Parent Pay. With your kind donations we are able to bid for projects that help maintain our school.

Asthma

If your child has asthma, please complete the new Asthma Form. These forms have been given out to parent/carers who filled out the old style form. Children who have

reliever inhalers in school are permitted to keep them in their tray, bag or locker. It is expected that a spare inhaler is given to the class teacher also. It is parental responsibility to ensure these are regularly kept in date. If you need a form, please go to the school office.

Text Message Service

Please contact the school by phone or email. The text service is no longer working.

PTA

Thank you to the PTA who met last week to discuss the Christmas Fair taking place on Sunday 3rd December. Lots of great ideas, watch this space to hear upcoming news!

Yours sincerely

Mrs Atherton and Mr Smith
