

Monday 16th November

Dear Parents/Carers

COVID-19

Unfortunately last week we saw a surge in cases of COVID-19 in school, seven in total, and as a result we had to close three classes (Years 1/2, 3/4 and 6E). As in previous cases we liaised very closely with Public Health in Trafford, following their guidance verbatim. Please can I remind you that if anyone in the household is having a test, everyone has to self-isolate (stay off school) until the result is known.

We continue to take one day at a time and once again ask for your support in implementing our safety measures and procedures. It is a challenging time but by working together we will overcome the issues we face.

PTA

Thank you to everyone who attended the PTA Zoom call last week, it was very productive and the first event we will undertake is a virtual balloon race (more details to follow).

This Friday we will be having an own clothes day, with an orange theme, to support a former pupil Jude who sadly died from a rare form of bone cancer. The children can wear any orange item; socks, top or hair accessory etc in exchange for a donation of £1. This Friday would have been Jude's 15th birthday. In addition we also collect used stamps that we use to raise BCRT funds. Thank you.

Contact Details

If you have recently changed your contact details please inform the school office as soon as possible.

Yours sincerely

M Mountcastle
