We've got another very busy week ahead! Firstly, a reminder that all our letters are now sent by email and not by a text message.

Thank you for your understanding.

Science Workshop: Y1 – Y6

Following the success of last year's science workshop – 'Professor Bubbleworks', We have booked another science workshop – 'Time for Science' on Tuesday 26th March. To help cover the cost we are asking for £2 per child, which can be paid via ParentPay. These workshops are a fantastic way to bring science to life for our children.

Irish Night

On Friday 22nd March we are holding an Irish Night in school. This is a fundraising event for our school football team who are playing in a school's football tournament in Donegal in May. It will be a great way to continue your St Patrick's Day celebrations! Tickets are available from the office. We hope you can join us.

Have a fantastic week,

Mr Smith and Mrs Atherton
