Dear Parents/Carers,

On Friday the children came dressed to impress wearing the most fabulous and creative hats as part of our STEM week. Throughout the week the children loved taking part in Professor Bubbleworks workshops, learning about inspiring scientists, engineers and mathematicians, working together on maths investigations and why STEM is important. It was fabulous to hear the children aspiring to be robotic engineers, zoologists, scientists, meteorologists, conservationists and astronauts of the future!

### Easter Service

This evening at 7pm the Year 3 and Year 4 children will be taking part in the Easter Service. We would love for you all to join us, everyone is welcome. If your child is in Year 3 and Year 4 please ensure they are in the hall for 6:30pm. Thank you
