

Tuesday 29<sup>th</sup> June

Dear Parents/Carers

### **Race for Life**

Tomorrow we will be fundraising for Cancer Research UK and all the children will take part in a 'Race for Life.' The children can wear non uniform, for a donation of £1, with pink being the theme. This can be as small as a hair or wrist band, or full outfit. In addition you can donate here - <https://fundraise.cancerresearchuk.org/page/st-hugh-of-lincoln-primary-school> thank you for your support.

### **Parents Evening**

This evening we are having a virtual parents evening for Years 1 – 6. It is a new system and we may experience some issues, please be patient with us; I will be at school answering calls if needed. The appointments are 4 minutes which is enough if both the teacher and parents log in on time. It is very important to click to join the call, it will not start automatically. Having experienced the system as parents we believe 4 minutes is enough time, but please do not be offended if we save time to talk about your child and limit 'small talk.' As ever if there are more pressing items to discuss after the 4 minutes, other arrangements can be made to follow up.

Please see below for reminders as to how to log in.

Log in at <https://shol.schoolcloud.co.uk/> using the details you used to book the appointments. On page one, click **'Join Video Appointments.'**

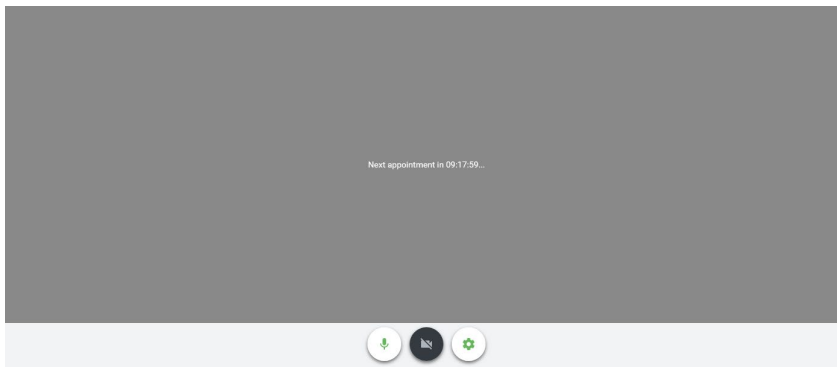

The screenshot shows a digital interface with a blue notification box at the top stating: "You have upcoming appointments which take place by video instead of in-person." Below this is a green header for "Video Appointments". A text block instructs users to "Press the button below to access the video call or to test your camera/microphone prior to the start of your next appointment today at 18:30." A green button labeled "Join Video Appointments" is positioned below the text. Further down, another green header reads "Parent Evening July 2020". Underneath, the text "Year 1-6 Parents Evening" is on the left, and "Click a date to continue" is on the right. A date selector box is open, showing "Tuesday, 29th June" with a right-pointing arrow and the note "You have 3 appointments" below it.

On the next page, once you have tested your microphone and camera, **click proceed to video call.**

---

Proceed to Video Call

On the next page you will see a countdown. When the countdown has finished please click, **join the call.** It will not happen automatically. I made this mistake with my son and missed the majority of the appointment. Regardless of when you log in the appointment will finish at the planned time.

I hope this makes sense; we are looking forward to seeing you all later.

Yours sincerely

A handwritten signature in black ink, appearing to be "M Mountcastle".
