

Learning Project WEEK 13

Age Range: Y6

Weekly Maths Tasks (Aim to do 1 per day)

- Get your child to play on [Times Table Rockstars](#).
- Here are some Mini maths tasks. <https://myminimaths.co.uk/year-6-mini-maths/>
- Encourage your child to work through the activities they have not done for their specific year group.
- Daily [arithmetic](#) for different areas of maths. Ask your child to work on level 4, 5 and 6 activities
- Get your child to access Corbett maths and complete the daily challenge, as we did in class: Silver, Gold or Platinum. <https://corbettmathsprimary.com/5-a-day/>

We will suggest three Corbett Maths activities to try to complete each week. Remember you do not need to print these out.

<https://corbettmathsprimary.com/content/>

We will finish off last week's focus on multiplication by multiplying fractions then we will move on to division

- Watch **Fractions: of an amount** (Video 29) and complete the corresponding questions on the worksheets
- Watch the **Fractions: Equivalent** video (video 26) and **Fractions: Simplifying** Video (Video 31) and complete the corresponding worksheets that accompanies one of the videos as the worksheet are the same for both videos.
- Watch the short video on '**Mixed and Improper Fractions**' (Video 36) and complete the corresponding worksheets.

Weekly English Tasks

- Continue to read your current book everyday.
- Remember it is also good practice to read aloud to an adult especially useful to discuss any unfamiliar vocabulary.

This week we would like you to write about our memories of your time at St Hugh of Lincoln. Think about a particular incident, it can be funny or sad, or a moment that made you change or make a new friend.

Things to consider:

- Capital letters and full stops.
- Use of other punctuation (,; () !)
- Vocabulary, have you used more challenging vocabulary?
- Look at your sentence starters, have you varied them? Have you used adverbial starters, emotion comma starters?
- Short sentences. Have you varied your sentence length, are some short, some longer?
- Paragraphs. Have you used them? Where could you start a new paragraph.

Aim to write half a page for each memory. We would love to read your memories. Please email them to evansj@st-hughlincoln.trafford.sch.uk

or

ionesr@st-hughlincoln.trafford.sch.uk

Weekly Spelling Tasks (Aim to do 1 per day)

- This will be the second week of you re-visiting some of your 5/6

Religion

RE:

key words

- Remind yourselves of the Key words by visiting the spelling rule 62 on [Spelling Frame](#).
- You can also go on the **Spelling Tiles** game and complete the **Practice/Test** for a selection of random words to practise at. Make sure you pick different ones to last week
- Pick 10 words to learn
- Write a sentence for each of your chosen words
- Practise these this week
- Ask an adult to test you at the end of the week if possible.
- Any you still do not know add them on to next week's list and complete some of the No Nonsense strategies we completed in school for example Look, Say, Cover Spell & Check, Pyramid Words, Rainbow Words etc.

We have been looking at unfairness and injustice in our world. This week we are going to find out about somebody who inspired the work of CAFOD and always fought against injustice in the world- Archbishop Oscar Romero.

<http://www.romerotrusted.org.uk/>

Watch the animation about Oscar Romero. Write down as many facts as you can about him that you learn from the animation or any other research that you carry out.

You can present your work anyway you want:

- PowerPoint
- Poster
- Story.

OTHER ACTIVITIES FOR THE WEEK

PE : PE is a really important part of your day, it helps to keep you healthy but also gives you more energy and gets you into the right mindset for your day ahead. Here are a few ideas to keep you going. If dancing is your thing why not try some of the Just Dance videos on you tube? There are plenty to try, just make sure you put in maximum effort to get your heart racing.

There are also lots of activities on The Youth Sport Trust webpage, have a look at the 60 second challenge section. Try some of these with your family.

<https://www.youthsporttrust.org/free-home-learning-resources-0>

PHSE:

You MUST collect a booklet from school to complete the following work

Hopefully you have collected your 'Go Big' Transition to Year 7 workbook from the school entrance hall.

If you are on track and have completed session 1 to 4 by now. This week we would now like you to complete Session 5 and 6 in your work book.

Remember: you do not need these books to complete the work, however Go Big would be useful for you to read for the advice and tips for starting high school.

Geography

This week we would like you to research the area of Grasmere. This is the area we would have been staying in on our residential.

Task:1 Locate Grasmere on a map and enlarge it to focus on the physical features around Grasmere and the human features. Google Maps is good for this and of course don't forget to look at Google Earth.

Find some images of the village, Youth Hostel and park to name but a few.

Task 2:

Look at these websites: <https://www.lakedistrict.gov.uk/visiting/places-to-go/explore-grasmere-and-rydal>

<https://www.lakedistrict.gov.uk/visiting/places-to-go/explore-grasmere-and-rydal>

Write about Grasmere.

You could create: a fact list, tourist board website information, pictures & descriptions, investigate local walks in the area etc.

ICT

If you have started a PowerPoint presentation, then add your Grasmere information as a new page or whole section.

Keep experimenting with the different slide transitions and animations you can include in your presentations.

Challenge: Don't forget to try to include some sound links or a link to a site about Grasmere.

If you do not have access to a computer with PowerPoint, then add your research and ideas to your paper version.
