Our week

This week we have been learning all about our bodies, we looked at a non-fiction book all about the body and we read a story about skeletons called 'Funny Bones'. We also found a skeleton dance on YouTube which we loved dancing to and did some chalk drawings of skeletons. In Maths we have been matching and sorting and also looking at shapes. In phonics we have been sound talking words and listening for initial sounds. On Wednesday we had music with Mrs Ali we sang songs with actions and played some music with claves (the children will call them sticks!) Every Thursday we have P.E. please help your child by practising putting on and off their shoes and socks as some are still struggling to do this independently. Please remember we put lots of photos on EExAT if you would like to see your child's learning and share any home learning also. The children are settling into school routines so well, we are super proud of them all!

Home Learning :

Please support your child at home by writing their name and numbers to 10.
