

Parent Governor Election

Please read the pen portraits below and then complete the Survey Monkey link at the bottom of the page.

Serena Reyes

I am a mother of 2 two very energetic and independent boys. My eldest son Louis is in reception at St Hugh of Lincoln. I am a teacher with 15 years' experience and work in a school in Wythenshawe. I have a Master's in education, trained in reading recovery, as well as early speech and language development. Over my 15 years teaching, I have been a class teacher in all 3 key stages and held a variety of additional responsibilities such as whole school attendance and assessment lead and international school, to name a few. I am currently part of the Senior Leadership Team, as the Early Years and Foundation Stage leader. I also manage Modern Foreign languages, phonics and staff attendance. I am a very friendly, approachable person, and enjoy working as a team to solve problems and develop new ideas. I feel that my experience in education and being a mother of two young children, provides me with many skills that I can use to support Mr Mountcastle and the other governors at St Hugh's and help the school keep growing from strength to strength. Whilst keeping the children staff and wider community at the heart of all my discussion. I would be a great honour to serve St Hugh's as a parent governor.

Liz Ridley

I am the mother of Macie-Mae in reception. I am the Managing Director of an accountancy firm and an umbrella company based in Media City. I was a pupil at St Hugh's myself and have lived in the area my whole life. By being self-employed it also means I have the flexibility to prioritise the school needs.

I want to be a governor of the school because I believe my experience of running a growing company, leading a motivated team, and creating a team culture where every team member is valued and appreciated complements the school mission statement.

These early years are crucial for children as they begin to grow and develop life skills, so I want to be a part of supporting the school by being accountable, transparent and to help further develop the school whilst keeping the Children's best interests at heart. I believe I will be a fantastic asset to the already well-established governors of St Hugh's.
