**RE: Year 11 Information Evening – Resources**

Dear Parents and Carers,

Thank you to everyone who attended our Year 11 Information Evening. We greatly appreciate your support and engagement at this important stage of your child's education. It was a pleasure to see so many families in attendance and to have the opportunity to share information about the year ahead.

For those who were unable to attend, we completely understand that commitments outside of school can sometimes make attending events at short notice difficult. We want to ensure that all families have access to the information shared during the evening and are fully informed about the support available throughout Year 11.

Please find links below to access:

- The main Year 11 Information Evening presentation
- Supporting careers guidance literature
- A collection of QR codes and links to additional guidance and support materials

These resources contain important information about Year 11 expectations, revision and study strategies, key dates, post-16 pathways, careers guidance, and ways in which parents and carers can support their child throughout this crucial year.

We would also like to draw your attention to our next parental engagement event, which will take place on Monday 2 November. This will be our first Study Skills Evening of the academic year and will provide practical advice and strategies to help students develop effective independent study habits and maximise their progress. Further information will be shared closer to the event, and we hope as many parents and carers as possible will be able to attend.

Thank you once again for your continued support. We look forward to working closely with you throughout the year and supporting our Year 11 students as they prepare for their examinations and their next steps beyond school.

Kind regards,

Mr N Wiecek
Asistant Headteacher
