15th October 2026

Subject: Year 11 Revision Revolution Launch Evening – Monday 2 November 2026

Dear Parents/Carers,

I am pleased to invite all Year 11 parents and carers to our Year 11 Revision Revolution Launch Evening on Monday 2 November from 5.00pm to 6.00pm.

This event marks a significant step up in our preparation for the Year 11 mock exams, which commence on 30 November. During the evening, you will hear an address from Mr Crowe and receive details of the plans, resources and support that will be available to students as they prepare for this important staging point from myself.

This will include the launch of our Year 11 Revision Revolution Packs, which students will receive in school earlier that day. I will also outline the range of additional support available, including our STEP and Closing the Gap intervention programmes, which have been designed to provide targeted support in the run up to the mock examination period.

I view this as an essential event for all parents and carers to attend. The best outcomes for students are achieved when school, parents and carers and students work together with a shared understanding of expectations, support and next steps. By attending, you will gain a clear understanding of the Revision Revolution initiative and how you can support your child to make the most of the weeks ahead.

I strongly encourage all Year 11 parents and carers to attend and look forward to welcoming you on the evening.

Kind regards,

Yours sincerely

Mr N Wiecek

Assistant Headteacher
