

Monday 25<sup>th</sup> January

Today you are going to use your **phonics** and read the sentences. Your grown up is then going to ask you the question and you need to write the answer. (Grownups, try not to help them with their sentence.)

Starter- read the tricky words. They will help you with your reading challenge.

Ideas to support this:-

- You can write these words out and find them around the house.
- Me vs You- have the words written on a piece of paper, if you read the word correctly you get a point.
- Cross the river- every time you say the correct word you cross the river.

**he**

**she**
