

Reception News

Dear Parents,

All children back in on Monday 8th March 2021. We are very excited to see you all again! We have a few updates for you.

Start & finish times

Reception start school at 8.50am and finish at 3pm. Please be prompt with drop off and collection so we can ensure safety of all KS1 classes.

PE

Reception will have PE on a Monday and Friday when they return to school. Please ensure they are dressed in the correct outdoor PE kit as listed in the uniform list. This will start from Monday 8th March.

Multi skills workshop

Every year Blessed Edwards puts on a Multi skills workshop for Reception. This year they are coming to us on Thursday 11th March. This is a lovely active session for the children to engage in and will need to wear their outside PE kit on this day.

Books & devices

Please ensure all reading books and any borrowed devices are returned on Monday 8th March.

Reading

Please ensure your child's reading record is kept in their book bags at all times. We will be changing books on a **Friday** afternoon. The children will bring home one library book for you to share with your child and two reading books for them read to you.

Self-isolation

Please see our Reception page of the school website for children's work should your household need to isolate.

Home learning

We wanted to say a huge thank you for everything you have done during lockdown. We cannot wait to see how your children have developed and all the new skills they have learnt.

Please continue to monitor the school website for updates and our classroom emails and tapestry for communication.

Thank you

Miss Haines & Mrs Mills :)
