

**Worcestershire
Young Carers**

Make your voice heard

YSS provides support for young carers aged 7 – 25 across Worcestershire.

Are you a young carer?

What is a young carer?

Do you know what a young carer does?

A young carer helps with shopping, cooking, cleaning, washing, giving medication and personal care. A young carer gives a loved one company, cheers them up and cares for their siblings.

Many young people who are caring don't realise they are a young carer and don't ask for support they need.

Teachers (or staff) and friends are often unaware they have young carers in their classrooms.

1 in 12 children at school is a young carer*

YSS provides support to young people aged 7 to 25 who have a caring role at home through:

- Monthly clubs and activities
- Bespoke 1-2-1 support
- Signposting
- Advice and guidance
- Employment/career support

*this figure is taken from research highlighted by the Carers Trust
