Dear Parents / Carer

***'In three words I can sum up everything I've learned about life: it goes on.'***

I want to express my thanks to Tina and the kitchen team for their hard work with regard to providing hot meals.

The response for hot lunches from Key Stage 2 has been amazing; it has been great to be able to provide this service. We review everything weekly and following our last review, we need to make some changes going forward. Tina has revised and adjusted the menu, a copy of which is included with this letter and is also on the Catering page of the website.

### Key changes are:

- **Thursday will now be a packed lunch day.**
- **Wednesday, a pizza day**
- **Monday (Week 2) - we have included a sausage roll as this was a pizza day**

We will continue to review this weekly to ensure that we can continue to sustain the hot meal provision under the current restrictions. We want to continue to provide the best service we can and take pride in what we can offer. Under the present circumstances, we are changing significantly how we usually operate however the children seem to be happy which is important. Please do give any feedback from the children to the catering email, positive or negative. Feedback is an important part of our partnership as we continue to work together, dealing with whatever challenges we are faced with.

Thank you for your understanding with regard to the oven breakdown. We were really impressed with the rapid response from Abraxas Catering who deal with our kitchen maintenance.

Thank you for all that you have done so far. We need to stay strong in this and not give up. We can do it!

Yours in faith and partnership

Mrs Louise Bury  
Headteacher
