'Following Jesus in all we do'

## Pupil Premium Strategy Statement 2021-2022

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School Overview			
Academic Year 2021-2024	Date Published:	Date of Review:	
Number of Pupils: 354		Number of pupils eligible for PP: 72 (20%) (increase 3%)	
Number of PP & SEN Pupils: 8% (6 / 72 pupils)		Number of PP & EAL Pupils :28% (20 / 72 pupils)	
Pupil Premium funding allocation this academic year	Recovery Premium Funding this academic year	Pupil Premium Funding Carried forward from previous years (enter 0 if not applicable)	Total Budget for this academic year
£95,493	£10,295	£49,657.74	£155,445.74

Pupil Premium Responsibility	
Head Teacher	Mrs Louise Bury
Pupil Premium Governor	Mr Chris Bills
Pupil Premium School Lead	Mrs Joanne McDonagh

### Barriers to Future Attainment

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge Number	Detail of Challenge
1	The lack of enriched vocabulary opportunities at home. Input data as evidence
2	The pupils self-esteem and lack of confidence in social situations.
3	Lack of parental engagement and confidence with the understanding of how to help their children at home with reading, which negatively impacts their development as readers.

Intended Outcomes	Success Criteria
This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.	
1) To improve progress and attainment in writing	Improved progress and attainment for <b>ALL</b> pupil premium pupils will be apparent and in specific cases accelerated progress will be made.
2) To improve progress and attainment in reading.	Improved progress in the fluence and comprehension of readers.
3) Raise pupils' academic self-belief within all areas of the curriculum and to develop higher aspiration for their life into adulthood.	Involvement of pupil premium children in their own future potential and aspiration for the future.
4) For pupil's to have a positive and healthy social and emotional mind set and develop positive resilience, a resourcefulness emotions.	Generate a positive influence on our pupils social, emotional and mental health, which will allow them to reflect and manage their emotions successfully in the future.

### Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

## Teaching -CPD Recruitment Retention

**Allocated Total Budget £45,000**

**Final Total of Budget £**

Intended Outcome Number	Activity	Evidence that supports this approach	Challenge Numbers Addressed
2	Purchase of CGP comprehension books to help develop fluency and inference in pupils reading and comprehension.		One and three
All	The development of the outdoor classroom to provide an addition learning space and to enhance our outdoor learning.	Evidence has shown that by the school providing an enriched outdoor curriculum has improved pupils behaviour and attitude to learning and their social, emotional and mental health.	One, two and three
3 and 4	Provide financial support to families for school uniform, pupils to able to visit off site educational settings and attend further opportunities to enrich the curriculum.	Evidence has shown that by the school providing financial funding to parents has improved the school's attendance and improvements in pupil behaviour and attitude.	Two
3 and 4	Nurture support 1-1 and group sessions based in the school's nurture room.	Evidence provided by the EEF's teaching and learning toolkit suggests that improving the social and emotional need of pupils can lead to learning gains of +4 months over the course of the year	Two
All	Purchase of computing equipment – Monitoring of usage and skills will be lead by the SLT and Computing Coordinator	Evidence provided by EEF's research into 'using digital technology to improve learning suggests that technology used effectively can be the potential to increase the quality and quantity of practice that pupils undertake both inside and outside the classroom.	One,two and three

**Activity in this academic year**

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

**Targeted academic support : Example tutoring 1-1 support**

Allocated Total Budget £ 40,000		Final Total of Budget £	
Intended Outcome Number	Activity	Evidence that supports this approach	Challenge Numbers Addressed
<b>1</b>	Whole school focus on the newly implemented writing scheme "The Write Stuff. Small group interventions with TAs within the classroom.	The 'write stuff' writing programme is designed around Education Endowment EEF guidance -Improving literacy in KS1 and KS2	<b>One and three</b>
<b>2</b>	Group tutoring reading and comprehension sessions before and after school.	Research provided by the EEF shows that 1-1 tuition is very effective in improving pupil outcomes. Short, regular sessions (30 mins) over a set period of time appear to result in optimum impact.	<b>One and three</b>
<b>1 and 2</b>	Group tutoring phonics sessions before and after school.	Phonics approaches have a strong evidence base indicating a positive impact on pupils. Please refer to the EEF Phonics toolkit.	<b>One and three</b>
<b>1 and 2</b>	Weekly group sessions with EAL students to improve the spoken and written word.	Research provided by the EEF shows that 1-1 tuition is very effective in improving pupil outcomes. Short, regular sessions (30 mins) over a set period of time appear to result in optimum impact.	<b>One and three</b>
<b>2</b>	Small group interventions with TAs- Better Reading, Rapid reading, AR. EAL support. HLTA to support the development in the enjoyment of reading.	Research provided by the EEF shows that 1-1 tuition is very effective in improving pupil outcomes. Short, regular sessions (30 mins) over a set period of time appear to result in optimum impact.	<b>Two</b>
<b>3 and 4</b>	Woodland Warrior sessions for all classes to support outdoor learning. Small group additional Music lessons for PP and SEN pupils.	Evidence has shown that by the school providing an enriched outdoor curriculum has improved pupils behaviour and attitude to learning and their social, emotional and mental health.	

**Activity in this academic year**

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

**Wider Strategies  
Related to behaviour or wellbeing etc**

**Allocated Total Budget £40,000**

**Final Total of Budget £**

<b>Intended Outcome Number</b>	<b>Activity</b>	<b>Evidence that supports this approach</b>	<b>Challenge Numbers Addressed</b>
3 and 4	Weekly visit to a local rural training facility 'Wildgoose' and nature reserve. This provides opportunities for our pupils to care for farm animals and to learn new skills.	Evidence provided by the EEF's teaching and learning toolkit suggests that improving the social and emotional need of pupils can lead to learning gains of +4 months over the course of the year	One and two
3 and 4	Weekly social and emotional group sessions afterschool club	Evidence provided by the EEF's teaching and learning toolkit suggests that improving the social and emotional need of pupils can lead to learning gains of +4 months over the course of the year	Two
3 and 4	Provide access to wrap around care (Breakfast club and after school clubs) in order to continue the improvement of our attendance.	Evidence has shown that by the school providing funding for wrap around care has improved the schools attendance and improvements in pupil behaviour and attitude.	Two
All	Contingency fund for acute issues	Based on our experiences we have identified a need to set an amount of funding to respond quickly to needs that have not yet been identified.	All
