Missing and Overdue Library Books KS2

Currently many books are overdue or missing from the library and I would like to ask children and parents to search at home for these. Children who have missing, overdue or too many books will be sent home with a reminder. Please make sure that books are returned to school by the end of this week. No fines will be charged at present, but should books remain unaccounted for at the beginning of the summer term, children must either replace the books or pay for them so that school can purchase new ones.

Please do not worry about the reminder number on the note as this is computer generated and has no meaning in this situation. Children have been reminded in school that they have books that need to be returned but as many are still missing I now need to ask for parental assistance! Children should have no more than two or three books at one time.

Many thanks
Ms R Holland
Librarian

HEALTH AND SAFETY

It is great to see so many children actively getting to school by bike or scooter. The back gate is extra busy now we have Pre-school children entering via this gate. To keep everyone safe once children have arrived outside the gates, please can they stand with their bikes and scooters until it is their time to come into school, and **NOT** continue to ride them up and down the path.

Many thanks
Mrs Bury
