Dear Parents and Carers

Welcome back! I do hope that you all had a wonderful Easter break. Let's hope that with this new term comes the sunshine!

We are excited to invite you to an opportunity to learn more about how to keep your children safe in this ever-changing world full of pressures and dangers both on and off line that threaten our children's wellbeing. We will be welcoming Vicky Ridgewell who has many years' experience in dealing with safeguarding crime.

During the day, Vicky will be speaking to all teachers, teaching assistants and children in Years 4 and 5. Year 6 will receive input as part of their transition after half term.

We are inviting you to attend at either 9am straight after drop off or at 2.15pm before pick up. There will be refreshments available at both sessions. I really do hope you can make some time to pop in. We also have members of our Governing Body who will be joining us during the day too.

Safeguarding is a high priority at St Joseph's. As a parent myself I am aware of the ever-changing pressures and influences our children face and the more that we can do to support you and each other in this, the better for our children.

I look forward to welcoming you in to school on Thursday. Certificate assembly will take place on Friday as normal as well as my parent forum Zoom at 10am on Friday. You can look forward to receiving a newsletter very soon with all dates and up to date information about the term ahead.

Yours in faith and partnership
