Sport Premium Funding – Evidencing the Impact

Working Document- last updated September 2019

The PE and Sport premium is used to make additional and sustainable improvements to the quality of PE and sport that we can offer our children. As part of our long-term vision we aim to:

	Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
	Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching.
	Raise the profile of PE and Sport across the school as a tool for whole school improvement.
	Increase participation in competitive sport
Previous use of funding and sustainability planning has allowed us to continue to improve the following through our standard 'PE Budget'	<ul style="list-style-type: none">• Links with partnership schools to offer sporting opportunities <i>Through our Droitwich and Worcester Partnership and sports festivals and School Games opportunities</i>• Offer a broader range of sports and activities to all pupil <i>Through our vast variety of afterschool clubs including traditional sports such as; netball, football, rounders teamed with more unusual activities such as yoga, beats and pound.</i>• Provided staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across the school. <i>Through our partnership with Droitwich and Worcester Partnership, previous Sports Plus CPD and our current affiliation with West Bromwich Albion.</i>• Raise attainment in primary school swimming to meet requirements of national curriculum before the end of keystage 2. <i>By creating a progressive timetable for swimming from Year 2 to build water confidence to Year 4 to build water competence.</i>• Introduce new sports and activities to encourage more pupils to take up activities. <i>Through our network of outside clubs such as Freedom Leisure and promotion of local activities, emphasised by our Health and Fitness Fortnight.</i>
