4.2.9 The Use of 'reasonable force' in Schools and Colleges .....	56
Annex A Child-on-child sexual violence and sexual harassment.....	57

## Part 1 Safeguarding Information for all staff

### 1.0 What School and College Staff Need to Know

**All staff are aware** of systems within our school, which support safeguarding, and these should be explained to them as part of staff induction. This should include the:

- Child Protection Policy.
- **Behaviour Policy- Behaviour guidance updated**
- Staff Behaviour Policy (sometimes called a Code of Conduct).
- Safeguarding response to children who go missing from education; and
- Role of the Designated Safeguarding Lead (including the identity of the Designated Safeguarding Lead and any deputies).
- Copies of Policies and a copy of Part one (or Annex A in Keeping Children Safe if appropriate) of this document is provided to staff at induction.
- **All our staff will receive appropriate safeguarding and child protection training (including online safety which, amongst other things, includes an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring – at induction. The training should be regularly updated. In addition, all staff will receive safeguarding and child protection (including online safety) updates (for example, via email, e-bulletins, and staff meetings), as required, and at least annually, to continue to**

provide them with relevant skills and knowledge to safeguard children effectively.

### 1.13 Online safety Policy

The breadth of issues classified within online safety is considerable and ever evolving, but can be categorised into four areas of risk:

**Content:** being exposed to illegal, inappropriate, or harmful content, for example: pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, and extremism.

**Contact:** being subjected to harmful online interaction with other users; for example: peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit them for sexual, criminal, financial or other purposes.

**Conduct:** online behaviour that increases the likelihood of, or causes, harm; for example, making, sending and receiving explicit images (e.g. consensual and non-consensual sharing of nudes and semi-nudes and/or pornography, sharing other explicit images and online bullying, and

**Commerce:** risks such as online gambling, inappropriate advertising, phishing and or financial scams. If you feel your pupils, students or staff are at risk, please report it to the Anti-Phishing Working Group (<https://apwg.org/>).

Considering the 4Cs (above) will provide the basis of an effective online policy. Our school have a clear policy on the use of mobile and smart technology, which will also reflect the fact many children have unlimited and unrestricted access to the internet via mobile phone networks (i.e. 3G, 4G and 5G). This access means some children, whilst at school or college, sexually harass, bully, and control others via their mobile and smart technology, share indecent images consensually and non-consensually (often via large chat groups) and view and share pornography and other harmful content.

As an education setting, we are directly responsible for ensuring they have the appropriate level of security protection procedures in place in order to safeguard their systems, staff and learners and review the effectiveness of these procedures periodically to keep up with evolving cyber-crime technologies. Guidance on e-security is available from the [National Education Network](#). In addition, schools and colleges should consider meeting the [Cyber security standards for schools and colleges.GOV.UK](#). Broader guidance on cyber security including considerations for governors and trustees can be found at [Cyber security training for school staff - NCSC.GOV.UK](#).

### 1.18 Children with special educational needs, disabilities, or health issues

Children with special educational needs or disabilities (SEND) or certain medical or physical health conditions can face additional safeguarding challenges both online and offline. We ensure their child protection policy reflects the fact that additional barriers can exist when recognising abuse and neglect in this group of children

**These can include:**

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration
- These children being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children
- The potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs, and
- Communication barriers and difficulties in managing or reporting these challenges.
- Cognitive understanding – being unable to understand the difference between fact and fiction in online content and then repeating the content/behaviours in schools or colleges or the consequences of doing so.

Any reports of abuse involving children with SEND will therefore require close liaison with the Designated Safeguarding Lead (or a Deputy) and the SENCO or the named person with oversight for SEND in a college.

WE consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place.

- [SEND Code of Practice 0 to 25 years](#), and
- [Supporting Pupils at School with Medical Conditions](#). And from specialist organisations such as:
  - The Special Educational Needs and Disabilities Information and Support Services (SENDIASS). SENDIASS offer information, advice and support for parents and carers of children and young people with SEND. All local authorities have such a service: [Find your local IAS service \(councilfordisabledchildren.org.uk\)](#)
  - [Mencap](#) - Represents people with learning disabilities, with specific advice and information for people who work with children and young people

### 1.3.3 Children Missing from Education

Guidance on school attendance 'Working together to improve school attendance' including information on how schools should work with local authority children's services where school absence indicates safeguarding concerns.

Information regarding schools' duties regarding children missing education, including information schools **must** provide to the local authority when removing a child from the school roll at standard and non-standard transition points, can be found in the department's statutory guidance: [Children Missing Education](#).

Further information for colleges providing education for a child of compulsory school age can be found in: [Full-time-Enrolment of 14 to 16 year olds in Further Education and Sixth Form Colleges](#).

General information and advice for schools and colleges can be found in the Government's [Missing Children and Adults Strategy](#).  
[Keeping children safe in out-of-school settings](#)

### 1.4.4 Operation Encompass

We receive Operation Encompass Notifications. Operation Encompass is to highlight that a Domestic Abuse Incident has taken place and the police have been called. We will be keeping an eye on changed behaviour and logging anything out of the ordinary. Operation Encompass is working well in Worcestershire Schools and Worcestershire Children First have successfully send DA notifications to schools. All this is great news for children and their families. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform Worcestershire Children First, who then inform the School (usually the Designated Safeguarding Lead) in school before the child or children arrive at school the following day. This is so we have up to date relevant information about the child's circumstances and can enable support to be given to the child according to their needs.

#### Operation Encompass Early Years

Worcestershire Children First now send DA notifications to early years settings St Joseph's Catholic primary School receives Operation

Encompass notifications, and we support those children and their families via our Early Help offer (Supporting Families)

#### **1.4.7 Forced Marriage**

Forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological.

A lack of full and free consent can be where a person does not consent or where they cannot consent (if they have learning disabilities, for example). Nevertheless, some perpetrators use perceived cultural practices as a way to coerce a person into marriage. Staff in our school understand we could potentially play an important role in safeguarding children from forced marriage. The Forced Marriage Unit has published [statutory guidance](#) and [Multi-agency guidelines](#), pages 35-36 of which focus on the role of schools and colleges. Our staff can contact the Forced Marriage Unit if they need advice or information: Contact: 020 7008 0151 or email [fm@fco.gov.uk](mailto:fm@fco.gov.uk).

In addition, since February 2023 it has also been a crime to carry out any conduct whose purpose is to cause a child to marry before their eighteenth birthday, even if violence threats or another form of coercion are not used. As with the existing forced marriage law, this applies to non-binding, unofficial 'marriages' as well as legal marriages

#### **1.5.3 Human Rights Act**

The Human Rights Act 1998 (HRA) sets out the fundamental rights and freedoms that everyone in the UK is entitled to and contains the Articles and protocols of the European Convention on Human Rights (ECHR) (the Convention) that are deemed to apply in the UK. It compels public organisations to respect and protect an individual's human rights when they make individual decisions about them. Being subjected to harassment, violence and or abuse, including that of a sexual nature, may breach any or all of these rights, depending on the nature of the conduct and the circumstances. Further information (including on absolute and qualified rights) can be found at Human Rights | Equality and Human Rights Commission ([equalityhumanrights.com](http://equalityhumanrights.com)).

Guidance to help schools understand how the Equality Act affects them and how to fulfil their duties under the act can be found at Equality Act 2010: advice for schools - GOV.UK ([www.gov.uk](http://www.gov.uk)), it may also be useful for colleges. For further information Equality. Act

guidance | Equality and Human Rights Commission  
(equalityhumanrights.com).

### 1.13.0 Records, Monitoring and Transfer

using 'My Concern' information is be kept confidential and stored securely.

#### 2.1.1 Filter and Monitoring

Our Governing Body will ensure an appropriate senior member of staff, from our school leadership team, is appointed to the role of Designated Safeguarding Lead. It is not appropriate for the proprietor to be the Designated Safeguarding Lead. The Designated Safeguarding Lead should take lead responsibility for safeguarding and child protection (including online safety and understanding the filtering and monitoring systems and processes in place). This is explicit in the role holder's job description.

Our Governing Body ensures the Designated Safeguarding Lead has the appropriate status and authority within the school or college to carry out the duties of the post. The role carries a significant level of responsibility and the postholder should be given the additional time, funding, training, resources, and support needed to carry out the role effectively. We ensure that all staff undergo safeguarding and child protection training (including online safety which, amongst other things, includes an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring at induction.

The training should be regularly updated. Induction and training should be in line with any advice from the safeguarding partners

The appropriateness of any filtering and monitoring systems are a matter for individual schools and colleges and will be informed in part, by the risk assessment required by the Prevent Duty.

To support schools and colleges to meet this duty, the Department for Education has published [filtering and monitoring standards](#) which set out that schools and colleges should:

- Identify and assign roles and responsibilities to manage filtering and monitoring systems.
- Review filtering and monitoring provision at least annually.
- Block harmful and inappropriate content without unreasonably impacting teaching and learning.
- Have effective monitoring strategies in place that meet their safeguarding needs

We review the standards and discuss with IT staff and service providers what more needs to be done to support schools and colleges in meeting this standard.

[The Prevent duty Departmental advice for schools and childcare providers](#) and Home Office Additional guidance on filtering and monitoring can be found at: UK Safer Internet Centre: “appropriate” filtering and monitoring.

<https://www.saferinternet.org.uk/advice->

[centre/teachers-and-school-staff/appropriate-filtering-and-monitoring](https://www.saferinternet.org.uk/advice-centre/teachers-and-school-staff/appropriate-filtering-and-monitoring).

South West Grid for Learning ([swgfl.org.uk](http://swgfl.org.uk)) have created a [tool](#) to check whether a school or college’s filtering provider is signed up to relevant lists (CSA content, Sexual Content, Terrorist content, Your Internet Connection Blocks Child Abuse & Terrorist Content).

## Part 3. Safer Recruitment

### 3.1.1 Safer Recruitment and DBS checks – Policy and Procedures

We will record all information on the checks carried out in the school’s Single Central Record (SCR). Copies of these checks, where appropriate, will be held in individuals’ personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

The SCR will be monitored and checked by the DSL/HT/Safeguarding Governor on a regular basis, throughout the academic year: Example half termly, the DSL/HT/Gov will need to have access the WCF – SCR training

#### Appointing new staff

- In addition, as part of our shortlisting process we will consider carrying out an online search as part of their due diligence on the shortlisted candidates. This may help identify any incidents or issues that have happened, and are publicly available online, which the school or college might want to explore with the applicant at interview. We will inform shortlisted candidates that online searches may be done as part of due diligence checks. See Part two - Legislation and the Law for information on data protection and UK GDPR
