Making your own Head Dress

On Wednesday we would like your children to make their own head dress using any materials you have at home! Today your children will be writing their own instructions ready to create their master piece.

Here are some pictures to inspire you! Every head dress can look different.

How to Write Instructions

1. Write in the present tense.

My Example: How To Make A Head Dress

You will need:

- Paper
- Scissors
- A green, orange, red and white pen.
- Sellotape
- 3 Feathers

What to do:

1. **First**, cut out a strip of paper. You need to measure this **carefully** as the strip needs to go around the whole of your head.
2. **Next**, you need your green, orange, red and white pens. **Delicately**, draw a design on the strip of paper.
3. After, grab your Sellotape. Use the Sellotape to stick the to ends of the paper together. Be careful, you don't need much! We need to secure this carefully **because** we do not want our head dress to fall apart.
4. Finally, **slowly** add your three feathers to the front of the head dress. Make sure they are secure.

Top Tip:

Make sure you use bright colours so your head dress will stand out!
