*"Two are better than one because they have a good reward for their toil." Ecclesiastes 4:9-10*

Dear Parents and Carers

## Warm Weather

As we enter our final few weeks of this academic year we hope the lovely warm weather continues. In order to help everyone continue to stay safe in the heat we have a few reminders and recommendations.

- Please bring a sun hat to school – please make sure it has name on it
- Please apply sun cream – children are able to bring sun cream to school to reapply if they can do it themselves, staff are not allowed to apply it for them. They must not share this with other children
- Please use an ice pack inside lunch boxes to help keep food cool
- Please remember a water bottle – **no squash in water bottles please**

Key Stage 2 children currently store their lunch boxes on trolleys outside their classrooms, please be assured that every effort is made to move them if they are in direct sunlight. The storage of lunch trolleys outside enables the classroom space to be less cluttered and dedicated to learning. As the weather heats up an ice pack would help to control the temperature of the lunch box. We are problem solving a long-term solution for this but in the meantime, this might be an ideal time to try the school lunches instead. The kitchen team have worked hard to provide a menu that covers all tastes and is full of children's favourites. If you would like to have a look at the menu and order you can find details on the school website under parents.

We would like to thank you for supporting your child as they competed in Sports Day last week. We hope you enjoyed it as much as the children did. Due to the pandemic, we have not been able to hold a full sports day since 2019. Mrs Boswell and Mr Oates worked extremely hard to organise the event and the staff were amazing as always in making it happen; we thank you for coming along to support it. We hope that you enjoyed the refreshments too- thanks to Tina and the kitchen staff for organising this added extra! We would kindly ask that you take the time to complete a very short online survey to enable us to reflect and improve ready for next year. The closing date is Friday 1<sup>st</sup> July; please respond as soon as you can and before Friday while it is still fresh in your mind!

Link to the survey: <https://forms.office.com/r/G0cWHswFMV>

Thank you for your ongoing support; if you have any questions or concerns then please contact either your child's teacher via the class email or the school office.

Yours in faith and partnership

Mrs Louise Bury  
Headteacher
