Computing Activity	You will need	Links	What you will submit
Animation 	<ul style="list-style-type: none"> • Free Animation app • Such as stop motion • https://tinkerlab.com/easy-stop-motion-animation-kids/ • https://apps.apple.com/gb/app/stop-motion-studio/id441651297 • Items to use in your animation 	Link with an example of an animation about the Great fire of London. https://www.youtube.com/watch?v=VM-3vju9lxI	A short animation of something you did. PLEASE do not feel it has to be long, complicated, very detailed or specifically about the Great Fire of London. Just something short and simple like modelled in https://tinkerlab.com/easy-stop-motion-animation-kids/ The point is to learn to use the app and understand how an animation is created. You can, if you want do more than one and even use the skill to evidence other work later on.
Online game 	<ul style="list-style-type: none"> • To get online 	http://www.fireoflondon.org.uk/the-game/	A clip of you telling us what you thought of the game and what you learned about the Great Fire of London.
