Name of pupil:

I will read and follow the rules in the acceptable use agreement policy.

When I use the school's ICT systems (like computers) and get onto the internet in school I will:

- Always use the school's ICT systems and the internet responsibly and for educational purposes only
 - Only use them when a teacher is present, or with a teacher's permission and **only for the reason a teacher has told me I can use them.**
 - Keep my usernames and passwords safe and not share these with others
 - Keep my private information safe at all times and not give my name, address or telephone number to anyone without the permission of my teacher or parent/carer
 - Tell a teacher (or sensible adult) immediately if I find any material which might upset, distress or harm me or others (or **if I am not sure about whether something might be inappropriate**)
 - Always log off or shut down a computer **correctly** when I've finished working on it
- **I will not:**
- Access any inappropriate websites including: social networking sites **(such as YouTube)** and gaming **sites unless I have been told to by a teacher.**
 - Open any attachments in emails, or follow any links in emails, without first checking with a teacher
 - Use any inappropriate language when communicating online, including in emails
 - Create, link to or post **(share)** any material that is inappropriate or could be reasonably considered inappropriate.
 - Log in to the school's network using someone else's details
 - Arrange to meet anyone **in real life** without first consulting my parent/carer, or without adult supervision

I agree that the school will monitor the websites I visit and that there will be consequences if I don't follow the rules, **such as removal of access to ICT equipment.**
